THEIR PARENTS DO NOT KNOW IT

Symptoms of worms in children are: Deranged stomach, swollen upper lip. sour stomach, offensive breath, hard and full belly, with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull twitching cyclids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever. Grown people are subject to worms also.

The one best remedy is Dr. True's Elixir, the Family Laxative and Worm Expeller. Also a pleasant, sure, safe laxative for children and grown folks. Mrs. Anselme Lamarre, 29 State atreet, Sanford, Maine, wrote to Dr. True's Wydaughter, Gertrude, had dixay spells and could not even go out, for she always complained of being sick. She used your worm expeller (Dr. True's Elixir). She never had sny fits since. I feel very grateful to you." Dr. True's Elixir can be used freely for both children and grown folks.
